you will also need:

cheese
sides to serve with your
burger, we
recommend coleslaw
(using our coleslaw
pack) and french fries or
potato wedges.

* Cooking times vary per
appliance. Always make
sure chicken is fully cooked
before consuming.

1

Heat a frying pan over a medium to high heat. Place a frozen burger into the hot pan and let cook for 2 - 3 minutes. *

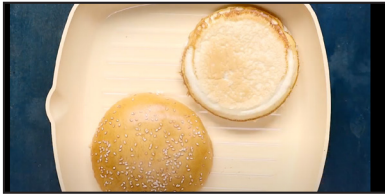

2

After 2 -3 minutes turn the burger to cook on the other side. Leave the burger to cook, do not be tempted to press it.

3

Place cheese onto the burger as it is cooking if you would like a cheese burger.

4

Use the hot pan to toast your brioche burger bun. For an extra hit of flavour, why not use some Smiley's Home Foods garlic butter in the pan as well.

5

Add toppings of your choice to make your perfect burger!
