

Veggie Burger

A vibrant mix of vegetables in a tasty patty!

Cooking Instructions

Fry from frozen

Time: 5-6 minutes

- 1) Place enough vegetable oil in a pan so that it is around 1CM deep and heat to a medium heat. To test the oil is hot enough, dip the end of a veggie burger into the oil, if it starts to sizzle, its ready!
- 2) Be careful not to over crowd the pan so you can easily turn the burgers. We recommend doing 2 -3 burgers at a time.
- 3) Fry your veggie burgers until golden and crispy which should take 4-5 minutes .
- 4) Gently turn your burgers half-way to ensure an even crisp all over.
- 5) Once cooked place onto some kitchen paper to remove excess oil and then serve immediately.

Cooking Precautions

Remove all packaging.

All appliances vary, these are guidelines only.

Check food is piping hot throughout before serving
